

## Assembly Bill #49: Society of Biomedical Informatics Students Spring Symposium

Application Title

2nd Annual BMI Spring Symposium

Short Summary

SoBMIs is proud to present the 2nd Annual BMI Spring Symposium on May 5th, 2011 where students will present their research and work in related biomedical informatics domains. We are inviting any and all ASU students conducting work in biomedical informatics to participate and submit a poster.

The event both showcases and promotes research excellence in biomedical informatics. We strive to bring together a community of researchers who could possibly strengthen and promote the collaborations that occur within biomedical informatics research.
