Assembly Members:

### New President *pro tempore*

I would like to introduce Andy Waldron as the new assembly president *pro tempore*. Andy is very well qualified and has already started to make an impact in the GSO funding hearings!

### Committees

I have gathered the committee lists from all of the VPs and everyone must be on two. I have sign-up sheets here for people to pick their committees.

### List Servers

I shared google docs with all of you to figure out list servers and department contacts, please fill them out accordingly.
