#### Associated Students of Arizona State University Presidents Council

Discussion in the weekly (Wednesdays 8:30am – 10:30am) ASASU Presidents Council meetings in the last month have included the following topics: progress on the Universal Constitution proposed by the West, Polytechnic and Downtown campuses; Facility Fee progress with the State Legislature and the JCCR agenda to include student funded building projects on all campuses; proposed changes to the organization of the Arizona Students' Association drafted by ASU Directors for ASA during regular weekly meetings (Mondays 6pm – 7pm), and presentation by UTO for a possible increase to the mandatory Technology Fee.

#### Office of the President

- The GPSA President is working closely with the following Assembly Members: James Alling (Universal Constitution committee, proposed fee increase for Law); Lisa Lacy (special project to research additional outreach methods for West, Poly and Downtown campuses).
- The GPSA Director of IT attended the first Technology Fee Board meeting of this semester (November) and met with UTO staff to discuss proposed fee increase.
- The GPSA Executive Director of Communication and Campus Relations attended NAGPS and presented for GPSA in October.
