

Assembly Bill #27: Student Bar Association

Application Title	Barrister's Ball
Short Summary	Barristers Ball is an annual law school event providing students an opportunity to network and build bonds. The goal of this year's event is to raise funds on behalf of the College's Student Organizations. Each year Dean Berman provides the SBA funds to distribute to student orgs to fund conferences, events and pro bono services that the various orgs provide. Recent budget cuts and the addition of new student orgs have limited the amount of funds the SBA can distribute. The SBA plans to use this year's Barristers proceeds to increase next year's funding for student orgs, so that the student orgs may continue to provide valuable events and services for the University and community.
