

Report from the Assembly President
February 17, 2012

Assembly Members, Executive Officers, Directors, and GPSA affiliates,

As you will see from today's February meeting, the ninth legislative session of Arizona State University's Graduate and Professional Student Association continues to be a productive one!

The GSO funding program has been very active and we are on track to spend all of the allotted \$54,000 on graduate student organizations. The Assembly Operations Committee will introduce a bill today that summarizes the funding recommendations for this cycle. I encourage the assembly to visit the Assembly Operations Committee meeting if they would like to be involved in funding recommendations.

Today we welcome assembly members from the WP Carey Program (Chris Reina) and CLAS Humanities (Chelsea Walter). We still have openings in the School of Sustainability and the School of Journalism. To that end, 32 of 34 seats are filled.

I will be soliciting nominees for our internal awards from executives. And, the Assembly Operations Committee will be organizing the GPSA Student Service Awards this month.

Respectfully submitted,

Matthew Savage
