Our GPSA

GPSA is the official, representative student body government for all ASU graduate and professional students regardless of location.

- We operate through executive and legislative branches composed of over 38 elected student assembly members representing all ASU college and schools, 20 appointed executives, and hundreds of volunteers.
- We are partially funded by a $35 student programming fee.
- We support students’ research, personal and professional development and service efforts with nearly $1 million in funding.

Mission

To create a supportive educational community that facilitates our personal and professional growth so we can continue making ASU, our community, and the world a better place.

Get Involved!

- Grant reviewer
- Social ambassador
- Assembly member

- University board/committee member
- Advocacy efforts
- Special projects

Programs and Activities

Advocacy

- GPSA Assembly Elected graduate student leaders from all ASU colleges and schools meets on a monthly basis to review and vote on executive activities.
- GPSA Committees Chaired by GPSA execs and comprised of assembly members and volunteers, they oversee GPSA’s many functions.
- Civic Engagement includes partnerships with student and local nonpartisan groups to advocate for local, statewide, and national issues that affect graduate students.

Support

- Graduate Student Centers (GSCs) Centers on each campus with various amenities like computers, study spaces, and kitchens.
- Individual Travel Grant runs year-long and awards up to $950 to travel and present at educational events.
- Group Travel Grant is an extension of the $950 Individual Travel Grant that allows teams of students to apply together.
- Internship Travel Grant reimburses students for up to $550 per year to travel to their local internships.
- Interview Travel Grant provides students up to $550 per year to interview for academic or professional positions.
- Jumpstart Research Grant awards up to $500 in seed funds for research.
- Graduate Research Support Program (GRSP) awards up to $2,000 for dissertation research and $750 for independent research. Funded by the Graduate Education Office.

- Athletics Research Grant facilitates students’ research on athletics with a yearly grant.
- Childcare Grant provides $1,000 yearly grants, based on financial need, to support students’ childcare needs.
- Teaching Excellence Award (TEA) recognizes outstanding graduate student teaching with a $500 award.
- Outstanding Mentor Award recognizes outstanding graduate student mentorship with a $500 award.
- Arijit Guha Advocacy Award recognizes outstanding graduate student advocacy with a $500 award.
- Graduate Support Staff Award honors outstanding graduate support staff (e.g., office administration) with a luncheon celebration.
- Graduate Student Organization (GSO) funding Provides up to $2,000 to GSOs for hosting social and professional development events.

Unity

- GradStu Email newsletters featuring GPSA and ASU-wide information relevant to graduate students.
- GradAD Free, public forum for the exchange of services and products.
- Social Events Planned throughout the year to promote community. *Specific events planned for international students as well!*
- Professional Development Events Developed in response to graduate students’ needs to increase the value of our degree and prepare us for the future.
