This board is an advisory board to Educational Outreach and Student Services administrators on matters of general policies and budget for the Recreational Sports Program and the SDFC.

**Meetings are scheduled by the SDFC.
Currently 4 seats are available.**

What is required of me?

Many University Boards and Committees meet at the Tempe location with call-in and teleconference options. Students from Downtown, Polytechnic, and West are highly encouraged to apply. The time commitment will average 1-2 meetings per month totaling 2-4 hours a month. While most Boards and Committees will not begin meeting until August, some may ask for summer commitments.

If selected, this counts as service to the University and can be included in your CV and your applications for GPSA travel funding. These are unpaid, volunteer positions.
