

Are you studying public health? Have some great ideas on initiatives? Join the Student Health Advisory Board!

TO APPLY:

1. Email a resume/CV and an unofficial ASU transcript to:
Dan.Ashlock@asu.edu
2. Click here to fill out the form

This board is an advisory board to Educational Outreach and Student Services regarding policies, educational programs, services, and future directions for Student Health

**Meetings are 3rd Fridays at 10am.
Currently 1 seat is available.**

What is required of me?

Many University Boards and Committees meet at the Tempe location with call-in and teleconference options. Students from Downtown, Polytechnic, and West are highly encouraged to apply. The time commitment will average 1-2 meetings per month totaling 2-4 hours a month. While most Boards and Committees will not begin meeting until August, some may ask for summer commitments.

If selected, this counts as service to the University and can be included in your CV and your applications for GPSA travel funding. These are unpaid, volunteer positions.
