This board is a hearing and appellate board for alleged student violations of the Student Code of Conduct. It recommends appropriate sanctions that are advisory and subject to the approval of the President of ASU.

**Hearings are scheduled as needed.
Special training is provided.**

What is required of me?

Many University Boards and Committees meet at the Tempe location with call-in and teleconference options. Students from Downtown, Polytechnic, and West are highly encouraged to apply. The time commitment will average 1-2 meetings per month totaling 2-4 hours a month. While most Boards and Committees will not begin meeting until August, some may ask for summer commitments.

If selected, this counts as service to the University and can be included in your CV and your applications for GPSA travel funding. These are unpaid, volunteer positions.
